We will send the enrolment forms to invite your child to enrol **ONLY** if we have place at our school for your child's specific age group as we only have selected openings available. An assessment may also be done to see if your child will cope in our environment. Any reports will assist in us making an informed assessment will be appreciated.

I understand that if a place is found for my child, that a possible assessment might be necessary depending on the age of the child. Once informed of a place being available, **the deposit is payable before your child starts with us and placement is only secure once the deposit is paid.** (arrangements may be made to pay off the deposit over 6mths). Failure to do this will result in the place being forfeited. Placement within the school is based on the following factors: availability of places, attendance at a previous Montessori school is preferable and your child's age and grade is taken into consideration. We usually fill up our school from the Toddler Centre up, i.e. the Toddler Centre feeds our Pre-school and this, in turn feeds our Primary School. Despite every effort from the School, I understand that this application in no way guarantees that the School will be able to accommodate my child.
